| Austria, March 1938 | | |
| Sudetenland / Munich, September 1938 | | |
| Prague, March 1939 | | |

## 2 · Your country's choices

**a. What was your country's goal? Did you meet it? What was the one decision that mattered most?**

**b. Describe one deal you made or refused. What did you write as your reason?**

## 3 · Debrief

**1. Name the moment your country should have acted differently. What would you change, and why?**

**2. Was appeasement a mistake? Use one moment from your game and one fact from what really happened.**

**3. Compare one result in your game with what really happened in 1936–1939. Why do you think they were the same, or different?**
