1. Annual report, 1910

What was your company's strategy? Use three numbers from your report card as evidence.

2. The shift

What changed for your company when workers became scarce after 1890? Explain why.

3. Letter to Congress

Choose one reform (an eight-hour day, safety laws, a child labor law, union rights or antitrust). Argue for or against it, using what happened in your industry.

4. Both sides

Weigh one benefit of Gilded Age industry against one cost.
